Subject: Notice to Diana Vargas, Court Reporter

Diana Vargas,

It's Daniel Montes, Relator, Intervenor and Plaintiff. Be advised that you were not present when Judge Glickler began the 9a hearing July 20th, 2015, #14-0132-P, In Re Ricardo P. Hdz (deceased). Be aware that the Third Ct of Appeals (Chief Justice Rose, Justices Pemberton and Field) is reviewing what happened that day. Ronald James Shaw will attempt to persuade you and Judge Glickler to draft a false reporters record. I will inform the Third Ct to sanction with heavy fines both of you for aggravated perjury. I have an eyewitness who has already submitted a sworn affd to the Third Ct that there was no ct reporter when Judge Glickler conducted his hearing. Therefore, any false record you put together will be aggravated perjury. I will also file a complaint with the Judicial Cert Board. The truth will set you free. Have a good day.

/s/Daniel Montes
